

If we made Mat Man with a **triangle** 

What would Mat Man do?

He'd hold the triangle in his hand
Then ding-ding-ding in a marching band.

If we made Mat Man with an **octagon** 

What would Mat Man do?

If we made Mat Man with a **blue rectangle** 

What would Mat Man do?

He'd say, "That's my mat!"

My mat's bright blue!
Shapes are fun to do with you."
